SUMMARY BACKGROUND:

This evening's meeting will be a tour of the Sumner Senior Center and the Watershed. The tour will begin at 6pm in the Senior Center parking lot, located at 15506 62nd St Ct E, Sumner WA 98390. Plenty of on-site parking is available. The public may join the tour. Arriving on time is highly recommended; however, if you arrive after 6 pm, check the notice on the front door for how to join the tour in-progress. Due to limited parking, pool cars will be driven to the Watershed & Central Well. As with the last tour, we do recommend wearing casual, comfortable walking shoes.

The purpose of this tour is to help Councilmembers understand City services that are not always visible/top of mind to the public, yet provide critical services. This is especially important as the City enters the process to review and pass the 2023-2024 Budget.
