COMMITTEE BUSINESS

1. Resolution No. 1643 - Department of Commerce Grant Acceptance

Ryan Windish, Community Development Director, presented the item and explained that the City of Sumner is required by RCW 36.70A.130(5)(a) to review and, if needed, revise its comprehensive plan and development regulations by December 31, 2024, to ensure they comply with the Growth Management Act (GMA). The Washington State Department of Commerce has made available a \$125,000 grant to assist in completing this update work. This funding is reserved for the City as a non-competitive formula grant. Due to the state biennial split, one-half of this funding, or \$62,500 is available to reimburse related periodic update project costs from July 1, 2022 to June 30, 2023 and the second half of the funding will be available beginning July 1, 2023 to December 31, 2024. Commerce will sign a grant agreement with the City this fall. All related GMA update project costs incurred by the City, beginning July 1, 2022, will be eligible for reimbursement. CD Committee voted unanimously in favor of entering into the contract agreement for accepting the Commerce grant funds.
