CITY ADMINISTRATOR REPORT

AGENDA SETTING

1. Council Meeting Agenda Calendar
2. Council Committee Meeting Calendar

EXECUTIVE SESSION

Pursuant to RCW 42.30.110(1)(i)(iii) - to discuss with legal counsel litigation or legal risks of a proposed action.

ADJOURNMENT

This meeting is accessible to persons with disabilities. For individuals who may require special accommodations, please contact the City Clerk at (253) 299-5590, 24 hours in advance.

SUBJECT: 2023 Refuse and Recycle Rate Increase

CATEGORY: Resolution

BUDGET IMPACT:

Expenditure Required: None

Within Budget Allocation: N/A

ATTACHMENTS:

1. Resolution No. 1646 - Annual Murrey's Disposal Rate Increase

STAFF CONTACT: Jeff Steffens, Administrative Services Director

SUMMARY BACKGROUND:

The City's contract with Murrey's Disposal stipulates that rates will be adjusted annually based on two factors. The first factor is the change in landfill/disposal costs. In March 2023, Pierce County will be increasing the landfill rate from \$166.45 per ton to \$171.23 per ton. The second factor allows Murrey's an annual inflation increase equal to 80% of the Consumer Price Index for the Seattle-Tacoma-Bellevue area for the period of October to October of the previous year. Eighty percent of the CPI change for this period is 7.15%. In total, the average residential rate increase is 8.1% and the average commercial rate increase is 8.54%. A detailed list of the proposed 2023 rates is attached to the Resolution as exhibit A. The public was provided a forty-five (45) day notice of the proposed rate increase, which is scheduled to go into effect March 1, 2023.

District Manager Josh Metcalf from Murrey's Disposal will be available to answer additional questions.

COUNCIL COMMITTEE/STUDY SESSION: MEETING/STUDY SESSION DATE: COMMITTEE RECOMMENDATION:
--

STAFF RECOMMENDATIONS/MOTION:

Approve Resolution No. 1646 establishing the 2023 Refuse and Recycle rates.

RESOLUTION NO. 1646
CITY OF SUMNER, WASHINGTON

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUMNER, WASHINGTON,
ADOPTING THE 2023 MURREY’S DISPOSAL COMPANY RATE INCREASE.**

WHEREAS, the City of Sumner’s contract with Murrey’s Disposal Company stipulates that the rates will be adjusted each year for the increase in landfill tipping fees; and

WHEREAS, the contract also stipulates an annual inflationary rate increase equal to 80% of the October to October CPI for the Seattle, Tacoma Bellevue area as calculated by the U.S. Department of Labor; and

WHEREAS, the City of Sumner provided the public with a 45-day notice of the proposed rate increase.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SUMNER, WASHINGTON, AS FOLLOWS:

Section 1. That the Sumner City Council adopts the 2023 Murrey’s Disposal Company rate increase, attached hereto as Exhibit A and adopted by reference.

Section 2. Corrections by City Clerk or Code Reviser. Upon approval of the city attorney, the city clerk and the code reviser are authorized to make necessary corrections to this resolution, including but not limited to the correction of clerical errors; or references to other local, state, or federal laws, codes, rules, or regulations.

Section 3. Upon passage and approval of this Resolution, it shall take effect March 1, 2023.

ADOPTED AND APPROVED this 6th day of February 2023.

Mayor Kathy Hayden

SUBJECT: Compost Procurement Policy

CATEGORY: Ordinance

BUDGET IMPACT:

Expenditure Required: None

Within Budget Allocation: N/A

ATTACHMENTS:

1. Compost Procurement Policy Presentation
2. Ordinance No. 2846 - Compost Procurement Policy

STAFF CONTACT: Jason Wilson, City Administrator

SUMMARY BACKGROUND:

In 2022 the State Legislature passed HB1799 which establishes requirements for the removal of organic materials (e.g. food scraps) from the solid waste disposal stream. It further requires cities over 25,000 people or that have organic material collection to adopt compost procurement policies that support the procurement of local compost materials for public projects. The law also requires municipalities to report biannually on the amount of organic materials diverted, and the quantities, cost and use of compost materials in public projects.

COUNCIL COMMITTEE/STUDY SESSION: MEETING/STUDY SESSION DATE: COMMITTEE RECOMMENDATION:
--

STAFF RECOMMENDATIONS/MOTION:

Forward to full council for consideration.

Compost Procurement Policy

Sumner City Council
January 23, 2023

CITY OF
SUMNER
WASHINGTON

Compost Use - RCW 43.19A.150(3)

In developing a compost procurement ordinance, each city and county shall plan for the use of compost in the following categories:

- (a) Landscaping projects;
- (b) Construction and postconstruction soil amendments;
- (c) Applications to prevent erosion, filter stormwater runoff, promote vegetation growth, or improve the stability and longevity of roadways; and
- (d) Low-impact development and green infrastructure to filter pollutants or keep water on-site, or both.

Project Planning - RCW 43.19A.120

When planning government-funded projects or soliciting and reviewing bids for such projects, all state agencies and local governments shall consider whether compost products can be utilized in the project.

If compost products can be utilized in the project, the state agency or local government must use compost products, except as follows:

- (i) Compost products are not available within a reasonable period of time;
- (ii) Compost products that are available do not comply with existing purchasing standards;
- (iii) Compost products that are available do not comply with federal or state health, quality, and safety standards; and
- (iv) Compost purchase prices are not reasonable or competitive;

Bi-Annual Reporting—RCW43.19A.150(5)

By December 31, 2024, and each December 31st of even-numbered years thereafter, each city...must submit a report covering the previous year's compost procurement activities to the department of ecology that contains the following information:

- (a) The total tons of organic material diverted throughout the year;
- (b) The volume and cost of compost purchased throughout the year; and
- (c) The source or sources of the compost.

Next Steps

- ◆ Council adopt a Compost Procurement Ordinance - February 6th
- ◆ Develop internal policies for tracking required metrics
- ◆ Be mindful of future business impacts for waste stream diversion

Questions?

ORDINANCE NO. 2846

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SUMNER, PIERCE COUNTY, WASHINGTON, ESTABLISHING A COMPOST PROCUREMENT POLICY FOR THE CITY OF SUMNER AS REQUIRED BY RCW 43.19A AND ADDING A NEW CHAPTER TO TITLE 3 OF THE SUMNER MUNICIPAL CODE.

WHEREAS, in March 2022, HB 1799 was signed into Washington law. The primary goal of the law is to increase the diversion of organic materials going to landfills in order to reduce methane emissions as landfills are a significant source of methane emissions; and

WHEREAS, as more organic materials are diverted and recycled, it is critical that the compost manufactured be procured by local jurisdictions and others to support the economic viability of these processes and programs. It is well established that compost production and use provide significant environmental benefits to our soil and food. HB 1799 requires cities that offer material collection services under RCW Chapter 70A.205 to adopt a compost procurement ordinance by January 1, 2023;

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF SUMNER, WASHINGTON DO ORDAIN AS FOLLOWS:

Section 1. Chapter 3.56 of the Sumner Municipal Code is hereby readopted and entitled “Compost Procurement” to read as follows:

Chapter 3.56 COMPOST PROCUREMENT

3.56.010	Definitions.
3.56.020	General Policy.
3.56.030	Local Purchasing.
3.56.040	Education.
3.56.050	Reporting.

3.56.010 Intent of chapter – Definitions.

- A. The intention of this chapter is to establish a compost procurement policy for Sumner to increase the diversion of organic materials going to landfills in order to reduce methane emissions as landfills are a significant source of methane emissions consistent with RCW 43.19A.
- B. The following terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section:

1. “Compost” means a product created with “composted material” as defined in RCW 70A.205.015(3) as now or hereinafter amended. “Compost” includes, but is not limited to, 100% finished compost or blends that include compost as a primary ingredient. Mulch is considered a “Compost” if it contains a minimum of sixty percent composted material. Bark is not a “Compost”.
2. “Cost prohibitive” means a product purchasing cost that exceeds 10% of the cost of another product that would serve the same purpose.
3. “Local” or “locally” as to compost providers means that such provider is located within a 25-mile radius of the city limits of Sumner.

3.56.020 General Policy.

A. Sumner shall plan for compost use in the following categories:

1. Landscaping projects;
2. Construction and postconstruction soil amendments;
3. Applications to prevent erosion, filter stormwater runoff, promote vegetative growth, or improve the stability and longevity of roadways; and/or
4. Low-impact development of green infrastructure to filter pollutants or to keep water onsite, or both.

B. Compost products shall be purchased for use in City projects in which compost is an appropriate material or on City property, provided it is not cost prohibitive to acquire. Procurement costs will include the product cost and all associated transportation and delivery charges. Sumner is not required to use compost products if:

1. Compost products are not available within a reasonable period of time or distance;
2. Compost products that are available do not comply with existing purchasing standards;
3. Available compost products do not comply with federal or state health, quality, or safety standards; or
4. Compost purchase prices are not reasonable or competitive.

C. Pursuant to RCW 43.19A.130, Sumner will strive to purchase an amount of finished compost products equal or greater than fifty percent of the amount of organic materials the City delivered to the compost processor. This plan will be re-assessed each December 31st of

even-numbered years, beginning in 2024 and thereafter as part of the reporting obligations in SMC 3.56.050.

3.56.030 Local Purchasing.

Pursuant to RCW 43.19A.150 (6), Sumner will purchase finished compost products from companies producing compost locally, are certified by a nationally recognized organization, such as the US Composting Council, and produce finished compost products derived from municipal solid waste compost programs while meeting quality standards adopted by the Department of Transportation or adopted by rule by the Department of Ecology. If locally produced compost is not available, compost shall be sourced from outside the region, with preference given to products sourced as close as possible to Sumner. Proof that locally produced compost was not available at the time of purchase or was cost-prohibitive shall be documented.

3.56.040 Education.

Sumner shall conduct educational outreach to inform residents about the value of compost and how the jurisdiction uses compost in its operations each year.

3.56.050. Reporting.

By December 31, 2024, and each December 31st of even-numbered years thereafter, Sumner shall comply with required reporting to the Department of Ecology pursuant to RCW 43.19A.150(5) as now or hereinafter amended.

Section 2. Severability. The provisions of this ordinance are declared separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this ordinance or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of the ordinance or the validity of its application to other person's circumstances.

Section 3. Corrections by City Clerk or Code Reviser. Upon approval of the city attorney, the city clerk and the code reviser are authorized to make necessary corrections to this ordinance, including the correction of clerical errors; ordinance, section, or subsection numbering; or references to other local, state, or federal laws, codes, rules, or regulations.

Section 4. Effective Date. This Ordinance shall take effect and be in force five (5) days from and after its passage, approval, and publication, as required by law.

Passed by the City Council and approved by the Mayor of the City of Sumner, Washington, at a regular meeting thereof this 6th day of February, 2023.

Mayor Kathy Hayden

1. Study_Session_2023_01_23
-

STAFF CONTACT: Derek Barry, Community Services Manager

SUMMARY BACKGROUND:

In 2020, the City of Sumner applied for and was awarded two grants for the Rainier View Park Covered Court. These grants are from the Washington State Recreation and Conservation Office (RCO) for \$350,000 and the State Legislature's Local Community Project for \$237,500. Staff has been working with the design team to complete drawings and prepare for going out to bid. The recently received engineer's estimate is well above the original amount and we need to discuss funding options. The original funding included both grants as well as \$380,000 from Parks & Trail impact fees. The \$967,500 originally earmarked is well short of the current estimate of \$1,541,443. Staff has started discussions with RCO about our funding and procurement timeline concerns. The presentation shown at tonight's study session will be made available to councilmembers and the public after the meeting.

COUNCIL COMMITTEE/STUDY SESSION: January 23, 2023 Study Session

MEETING/STUDY SESSION DATE: 1/23/2023

COMMITTEE RECOMMENDATION:

STAFF RECOMMENDATIONS/MOTION:

Staff recommends utilizing additional funding sources including but not limited to: REET, Parks & Trail Impact Fees, \$250,000 from the YMCA repayment, ARPA and other funding options.

Rainier View Park Covered Court - CIP 18-04

Funding Discussion

Process

CITY OF
SUMNER
WASHINGTON

WHERE WE ARE

Summary

- After the 2018 Parks & Trail Plan was approved staff began preliminary design for the Rainier View Park Covered Court.
- The Washington State Recreation & Conservation Office (RCO) awarded \$350,000 through their Youth Athletic Facilities (YAF) program.
- The State Legislature awarded \$245,000 through their Local Community Project (LCP) program.
- Council set aside \$380,000 in Parks Impact Fees to help fund this project.

Budget Summary

- The Rainier View Park Covered Court budget was \$975,000 (2018).
- Spent to date \$ 95,105 with \$39,039 encumbered
- The new engineers estimate is \$1,721,288* (includes additional items-Portland Loo utilities, slab, ADA parking upgrades)
 - Includes contingencies at 32%
 - Does not include construction management (typically 10-15%, \$150,000-\$200,000)
 - Does not include final design (\$119,000+)

Value Engineering Approach

- ❧ RCO has approved removal of skylights, wind screens and reduction in benches
 - ❧ Skylights \$37,780
 - ❧ Wind Screens \$204,650
- ❧ Items to be charged to other funds
 - ❧ Slab & Utility work \$36,036 – Portland Loo
 - ❧ ADA Stall upgrades \$61,248
- ❧ Added standing seam metal roof \$59,400
 - ❧ 30–50-year life instead of 20-25-year life

Funding Options

Fund	Full Project	Value Engineered	Available
YMCA Property Proceeds	\$ 250,000	\$ 250,000	\$ 250,000
Park Impact Fee	\$ 200,000	\$ 150,000	\$ 856,118
Real Estate Excise Tax	\$ 250,000	\$ 75,000	\$ 1,023,822
Council Strategic Reserve	\$ 100,000	\$ 50,000	\$ 754,381
ARPA			\$ 81,676
General Fund Balance			\$ 13M
Grant Cost Increase Request*			Up to 10%

Considerations

- Full project moves forward
- Reduce scope – value engineering
- Stop the project – refund RCO and LCP on any reimbursements
 - Could impact future requests
 - No park improvements since 2007 at Rainier View Park

SUBJECT: White River Restoration - Project Update
