## **COMMITTEE BUSINESS**

1. Climate Change and Resiliency Grant Acceptance-- Department of Commerce  
Community & Economic Development Director Ryan Windish explained that the City has received a \$500,000 grant from the State Department of Commerce. This grant supports the implementation of HB 1181 (2023). HB 1181 makes significant changes to the Growth Management Act (GMA) to incorporate a response to climate change into local government comprehensive plans. Funding allocation is based on both population and required updates to the comprehensive plan for each jurisdiction. The CD Committee tabled the Climate Action Plan Grant acceptance request with directions to staff to respond to a number of questions and concerns they had with the grant scope of work. The item will come back to the May 22, 2024 CD Committee meeting.
